PRODUCT DESCRIPTION

Arrow's Solid Bullet is a heavy-duty, solid detergent designed for use in high and low-temp commercial machines. The powerful dish machine solution quickly washes away food soils with one-pass cleaning. Ideal for use in areas with normal to hard water in approved dispensing units. Solid Bullet contains sodium hydroxide and isn't recommended for soft metals.

DIRECTIONS

See full label for complete directions. This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Remove cap and invert bottle on proper solid bowl dispenser. Consult your Representative for information on equipment setup, usage level and cleaning procedures. For best results, use with hot water. Not for manual dish washing or presoaking.
