PRODUCT DESCRIPTION

Red Detergent is an economical machine dishwashing detergent for use in injector detergent feed systems. The automatic warewash from Arrow is tough on grease, mineral build-up, and baked-on stains on dishes, glassware, and silverware. Ideal for use with a 3-step dishwashing program to get sparkling clean, spot free dishes every time! Effective in low-and-high temperature machines.

DIRECTIONS

See full label for complete directions.
FOR USE WITH AUTOMATIC DISPENSING EQUIPMENT ONLY.

See your service representative for reliable, accurate dosing tailored to your specific needs.

PACKAGING

5 Gallon Pail

SPECIFICATIONS
