

SURE FOOT QUARRY TILE CLEANER

PRODUCT DESCRIPTION

Arrow's highly concentrated cleaner/degreaser for quarry tile and concrete floors eliminates grease build-up that can cause slippery floors. The Sure Foot Quarry Tile Cleaner formulation penetrates tile and returns porosity and natural slip-resistance to quarry tile. Ideal for food service operations.

DIRECTIONS

See full label for complete directions.

Remove all dirt and debris from floor before using Sure Foot.

Daily Cleaning: Use 4 oz. per gallon of hot water. Apply with a mop or conventional sprayer. Agitate with deck brush for 5 minutes. Rinse with clean water and allow floor to dry.

Initial (Shock) Cleaning: Use at full strength or mixed 64 oz. per gallon of hot water. Allow solution to remain for 5 to 10 minutes. Agitate with scrubber or brush, pick up solution with mop or wet/dry vacuum. Rinse as required.

DO NOT MIX THIS PRODUCT WITH ANY OTHER PRODUCT.
