

LONDON POLISH

PRODUCT DESCRIPTION

London Polish from Arrow produces a brilliant luster that protects and seals. Ideal for fine woodwork and polishable surfaces because the solution removes old wax build-up, conditions and moisturizes. Try it on paneling, formica, leather and vinyl, too! Not for use on flooring.

DIRECTIONS

See full label for complete directions.

For best results, apply to surfaces with a soft, slightly damp cloth. Polish with a clean dry cloth.

DO NOT USE THIS PRODUCT ON FLOORS
