

MULTI-ZYME SUPER DIGESTANT

PRODUCT DESCRIPTION

Arrow's Multi-Zyme Super Digestant is a multi-purpose enzymatic cleaner that's extremely effective for controlling odor and degrading organic waste. The formula is a special blend of enzyme producing bacterial cultures and biodegradable surfactants that digests proteins, fats, oils, grease, starches, hair, vegetable gums, and other organic waste. Use Multi-Zyme Super Digestant to eliminate odor at the source. Excellent for removing odors that attract fruit flies!

DIRECTIONS

See full label for complete directions.

Stain & Odor Eliminator: Saturate problem area with Multi-Zyme. Use a clean white cloth to blot out product. In extreme cases like pet stains, place a towel moistened with product over the problem area to keep damp for at least 24 hours. Spray around areas such as trash cans, dumpsters and other areas where odors are a problem.
