

LAUNDRY BREAK ALKALI BUILDER

PRODUCT DESCRIPTION

Arrow's Laundry Break is a powerful, heavy-duty liquid solution specifically designed to handle the toughest laundry problems. The formula contains alkaline builders and suspending agents to emulsify greasy soils and keeps them suspended to prevent soil re-deposition. Recommended for laundry articles exposed to blood, urine, feces and other heavy soils. Use with #473 AroFresh Fabric Softener/Sour in rinse cycle to neutralize fabrics.

DIRECTIONS

See full label for complete directions.

For use with automatic dispensing equipment only. See your service representative for accurate dosing. This product **MUST** be used in conjunction with a neutralizing agent such as AroFresh Softener & Neutralizer.
